

**REMARKS**

A Notice of Allowance has been received, but the Issue Fee has not, as yet, been paid. Accordingly, this amendment is timely.

The Notice to File Corrected Application Papers mailed December 29, 2011, indicated that the specification did not provide a brief description of the drawings. The amendment above provides this missing section.

Further, since this amendment makes only formal amendments, places the application in better form for issuance, and requires nothing more than a cursory review by the Examiner, Applicants respectfully request that the Examiner enter, consider and approve this amendment.

**ADDITIONAL FEE**

Please charge any insufficiency of fees, or credit any excess, to Deposit Account No. 14-1263.

Respectfully submitted,

NORRIS MCLAUGHLIN & MARCUS, P.A.
